Goals of Safe Driver Drivers Education

- To give you basic instruction on how to operate an automobile safely and effectively.
- To make this an enjoyable, hassle free, educational experience

- Six Hours (12 Half hour lessons) we will give you feedback on each drive and we will discuss what you've done well and what you can improve upon.
- Observation (backseat) is critical!
- You must drive five additional hours with another adult. Please use Road Ready App or some other type of chart.
