DRIVING LESSON INFORMATION:

All students need **six total hours of driving instruction**. We will attempt to have two or three students in the car. Students should have a face mask with them for each driving lesson.

- Students can now sign up for the sixth lesson (if they haven't already)
- Parents and students are responsible for knowing when lessons take place. If a student is unexcused for a lesson a fee of \$35.00 will be assessed. If there is an emergency or illness, **please call or text Mr. Rolwes at 573-6378 ASAP.**
- Students should download the [RoadReady App](#) to record the five hours of driving they are to be doing OUTSIDE of drivers ed. Any other spreadsheet or form can be used as a substitute.
- If a student misses a lesson without notifying Mr. Rolwes, you will be assessed a \$35.00 fee. The scheduling system will not allow you to cancel lessons 24 hours prior to the scheduled lesson. If a student is ill and cannot attend a lesson, please call/text Mr. Rolwes at 319-573-6378 ASAP. Students and parents are encouraged to view the feedback that is entered by the driving instructors after each lesson.

FINISHING THE COURSE:

- When I've graded each student's work and have discussed the driving progress of each student with our instructors, I will submit the student's permit number through the Iowa DOT website.
- I will then email each student a **copy** of their certificate. This is NOT needed for each student to get their license.
- **All Canvas Modules, midterm, final exam, concluding activities, and driving log must be completed for students to be eligible for your certificate.** Students can text me a photo of their driving log or email a copy of it to me.

If you have any questions or concerns, please contact Mr. Rolwes at 573-6378.
